“ *What a wonderful and kind man. That twinkle in his eyes was a beautiful gift to all who have known him. His steadfast approach to life and the loving support he freely gave his family and friends has been an example for so many! His sense of humor was such a blessing (but he could sure use it to trounce the unsuspecting in a card game—admit to being a victim)! What a wonderful spirit in our lives is now home with our Lord! Thankful to have had him in our lives. God continue to bless and support his family at this time!* 🙏
