“ Good night, Bill. Sleep well. You did your job, father, husband and grandfather. You gave those who knew you a hardy laugh and healthy smile and to your family, your wife, you were dedicated and worked hard for the complete life. Now go on with Frances. Enjoy this time without all the issues we have back here. Things are better. Your health issues are all gone. No, I know you don't remember all that because you are walking in glory now.
