“ Idk where to begin or how I am loss for words! I keep hearing ur voice and how you use to call and leave me voicemails if I wasn't able to get to my phone “it's pawpaw holler at me for sec when you get this” then when I'd call back you would just thank me! Ur great grand babies sure do love you and miss you too we just going to have to remind nana to have their candy bc tht was one thing you always had for them and they loved it! Jaceman always would say pawpaw got us candy 😊 when I'd tell him he couldn't have any. We love you pawpaw and even though you are no longer here u will forever be in our hearts. We shall rejoice that you r with our Heavenly Father an you are no longer suffering!

“ Ray was a loving husband and father and grand father. He was also a loving and great big brother. He was loved by everyone who knew him. He always had a smile on his face and a joke to tell. He will be missed so much but never forgotten.
