“ I have known William since the day I was born. He and my dad's family grew up together in Braintley, Alabama. My dad, John Blackwell was a very close friend to William. I worked with him for 30 years at ALDOT and he never had a bad word to say about any body. I know most of his family and I send my prayers to you. Because of William I know you all are great people and he will be missed by so many.

“ William was great to work with! I went on many plan reviews with him while he worked with ALDOT. He always brought a wealth of knowledge and insight to the reviews, and had a great sense of humor. He truly cared about the quality of work we were involved with and wanted everyone to do a good job. He will be missed by the entire ALDOT family, but we know heaven gained a good man. May God bless his entire family.

“ William was a long time friend and fellow class mate. He was strong in principle, fair to everyone, and a caring friend. I graduated from Brantley High School, where he was president of our Senior class. I feel I can speak for all of the class of '59 from Brantley High School, he will always be remembered and respected!

“ Charlotte, Nelda, Bill, Joe, Angie and all remaining family. All of you are in my Prayers, heart and thoughts as you go through this portion of life's journey and your loss of William. Even though William did it his way, it is sad for those of you who remain. Philippians 4:13 "I can do all things through Christ which strengtheneth me" is my go to verse to help make it through trying times. God is always with us.

Love and Prayers,

My prayers are with this sweet family in the loss of this very special man. Pawpaw, as he was known to most, never had a cross word to say about anyone. He always had a smile on his face and a hug for all. Rest In Peace "baby doll" and enjoy your reunion with MawMaw.
