“ Dear Ms. McFarland,

Mr. McFarland will be greatly missed. I was his aide for a couple of yours and he was just always so fun to talk to. Mr. Popwell's class connected to the Library so all 3 of us would talk and laugh and I want ever forget those days. I can still see him in the back of my mind and here his voice and see him driving the bus. He was a wonderful man and I loved him very, very much and my thoughts and prayers go out to you and your family. I hope that God with comfort you in a way that only he knows how.

“ Mr. Mac...as we affectionately called him...was "one of a kind!" Such a true "Gentleman"! As a 1988 graduate of PHS, I was lucky enough to have him as a Jr. High Vice Principal, as well as a High School Principal! My simple words cannot express how much of an impact this man made in my life. To his family & friends, please know I grieve w/you. In today's world, I wonder just how many MEN of his caliber will be remembered in such a way! Thank you, Mr. Mac, for all the discipline w/a side of laughter that only you could provide! My memories of you will last a lifetime! 'Til we meet again!
With Love,
T.C. Foshee

“ *Mr. McFarland was my teacher at Marbury. His son Neil was in my class along with my brother Doug. He was a wonderful man I am so sorry that ya' are going through this. I haven't seen too many people I went to school with when I left home and moved to Georgia. But my memories there are strong in my thoughts and I enjoyed all my teachers. I hope that God gives you peace and comfort to get through these times. May God Bless you all. This is from Annette Hoof Brown and my Brother Paul Douglas Hoof. He was called Doug. STAY STRONG and what you can not handle hand over to God.*
