Over the years, Bill participated in Leadership Autauga County, Autauga County Farm/City, Boy Scouts as a pack and den leader, coached hockey and served on the Board of Directors and was president of Bridge Creek Fishing Club. He thoroughly enjoyed fishing and hunting, especially with his son and grandsons. He also collected cookbooks and loved cooking all the time. But most will remember him the best for his old wooden birdhouses which he made from old houses and barns torn down all over

Autauga County - especially the church birdhouses, barns and condos which were all uniquely made from patterns he created himself.
