“ Dan, was a great human being, he was an honest person, I claimed him as my Brother I never had. We could talk about any and everything in the world, our families, the Lord, our churches, especially our parents, his Mom and my Dad you know they were twins. After my Mom passed in 1987, Dan sorta helped my Dad in lots of ways, he would come and keep my Dad company and Mary Nell would do the same, she was a great person also, we loved her just like a sister as we did Dan as a brother. I did talk to Dan last when he came home from the hospital, his spirits were up some, but being back was his highest joy, did not think it would be the last time but it was, we told each other how much we loved each other, and a few days he went to heaven to be with his Lord, he's in no more pain and distress. What a wonderful Lord we have, he takes all the pain away. Thank you Lord Jesus. "Millie"
