“ December, 2025: Writing a Christmas card to Lavon reminded me again of Luther's passing earlier this year. Always first with a joke or a story, Luther left us on January 1st and we know the quality of humor in Heaven "changed dramatically" with his arrival. Uncle Luther was always a man to be noticed and the world is poorer for his departure, but incredibly richer for the family he left behind. We love him and miss him, Mark Williamson.
