“ The grief that is felt when we lose a loved one may seem unbearable. At such times, we can go to God's word for comfort. God too feels hurt when an individual dies. That is why the encouragement found at Revelation 21:4 assure us that "He will remove sorrow and death will be no more." According to this scripture, there will come a time when those we have lost in death will be brought back by means of a resurrection by the Almighty God. May the family find the comfort that God makes available to all persons.

My heart goes out to you ever since I heard about the loss of your mother this past weekend. She must have been a wonderful person to have raised such a generous and caring daughter. On behalf of your "family" at Alabama Pathology, please do not hesitate to let us know if there is anything we can do for you during this time.

Our sincere condolences go out to you and your family during this period of mourning and time of remembrance of a wonderful life lived.
