“ To the entire family, yet most especially Shane, I just recently heard of Reeds passing and felt the need to express my sympathy to you & your family. Reed was such a fun guy to be with & I truly enjoyed knowing him and am thankful for that experience! I shall never forget his smile....:) I remember watching ball games with him at the Y w/you, Ty, Nelson, Wilcox (PePe)&of COURSE my Ross. Ya'll had some good times together & were blessed to have such good friends. From what I understand, you were with your pop til the end~that is what a good son & friend do! He (& my daddy) walk the streets of gold in NO PAIN. My heart hurts, but for THAT I rejoice. It's been awhile, but I still love ya man!Should you need ANYTHING~call Rosco! War Eagle Babeee!

“ To the family: May the comfort from family and friends strengthen you during this difficult time, and may you find comfort in the words found in the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."
