“ Saw Winston's obit in paper and wanted to share how much he had helped me 30 years ago when I was starting my business. We bought multiple 2 way radios from him. Always so helpful and fair. Haven't seen him in years but I thought a lot of him. Sorry for your loss. He was a good man. Rick Pate

“ Winston was a good and generous man. I knew him through his good friend Rick Pass. He and Rick once spent a day helping me with some home repairs. God bless the family.

“ Sandra & Family: I didn't know your husband, but through our mutual friends talking about him I feel like I do. My heart is broken for you. I know you are in a time of shock, grief, and unbelief. Remember, when you are at your lowest and darkest moment.....our God is right there. Take care my friend. My prayers are with you.
