“ Skip and family, I am just reading this of your father and am so sad to hear about it. I think back to the days at Belmont when he was across the hall from Russ. What a kind gentle man he was! That disease is something as mean as cancer and even uglier but you are right, he is whole again and at peace with your mom. I'm sure he and Russ have reconnected and talked about the Belmont days. Bless all of you this season as you celebrate the memories you have!! We will see both of them again one day. With love and prayers, Julie Griffin (Lockhart)

“ Winston was a leader in the OHS class of 1960, a very smart student, a leader, good athlete and wonderful friend. He and Dedie were neighbors and couple friends in our early marriages. Years cause us to lose touch but wonderful memories. Winston will be missed. With love, Kay Benton Cassady

“ Winston and I often rode to college together. He was a senior and I just a freshman. This was a time when I needed a positive influence in my life and Winston was just that. I'll always cherish those times together. He was truly a classy guy.

“ I remember Winston as a very friendly and fine person and was shocked to learn of his and Dedie's passing. I was two grades ahead, but he was a friend.

“ Sonny(as he was known to most of us) and I spent a lot of fun filled days growing up across the street from each other on West Hart Ave. in Opp. Football and baseball was played in our yards, the streets, Little League and on up to high school. We loved him and pray for Sharon, Penny and the other members of his family.
