“ *Granddaddy always knew how to tell a great story to lighten the mood. My favorite story was when he went huntin and fell asleep. ' And this part is my favorite... I can hear him laughin now' he says (" I woke and there was a deer lickin my face! I froze and didn't know whether to shoot it or lick it back")*

“ To the family: May the comfort from family and friends strengthen you during this difficult time, and may you find comfort in the words found in the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ i have so many mermories , but the one that sticks out the most and the one we always talked about when we got together was when Charles thought he was lost in the woods, and was yelling Uncle Wwwwooooodddy, Uncle Wwwwoooooddy, and uncle Woody was standing there looking at Charles and laughing. he had the best laugh, not loud, not soft, but a hardy laugh. He will be missed.
