“ I love how Zelda would greet us at the door at Christ Community and I loved hearing about her love of butterflies and stories about life. She always knew how to put a smile on your face or how to make you laugh. I'll never forget at one of the church Christmas gatherings she got up and told some jokes. Heaven gained an angel and we may have lost her on this earth but I know she will be ready to greet us with open arms when we see her again. ❤️

*I'm praying for her sweet family. I love y'all!*
